Retail Interiors

Let V put YOU in the spotlight

The best showrooms are more than a backdrop for a company's latest products: They accommodate the changing needs of the marketplace, communicate a brand's unique benefits and attributes, and make a lasting impression on those who visit them.

Understanding a showroom's annual cycle or "seasons"; showcasing new ideas, new products, distinct messaging in lines with company's changing marketing objectives.

Commercial Interiors

V bring your Ideas to Life!

In this increasingly competitive marketplace, interiors need to be designed to attract the right clientele. Whether creating an interior environment for a new mixed-use development, or improving a historic building, we work to understand your customer and ensure the spaces are created in the best interest of commerce, communities and the environment.

Hospitality Interiors

V bring warmth to spaces

V focuses on true hospitality in expressing and serving other by efficient interior designing, exterior redesigning or building from the foundation. It is about creating space for someone to feel warm and comfortable at the reception, waiting lounges, suites, guestrooms, entertainment areas, SPAs, swimming pools, gymnasiums and gorgeous banquet halls.

Healthcare Interiors

V Providing Compassionate Care

Our collaborative design process ensures the delivery of enduring environments which address the needs of your community while balancing issues such as image, budget, functional efficiency, future flexibility and on-going maintenance. V Healthcare interior designers collaborate with your team to identify and implement safe, maintainable, supportive settings; balancing sophisticated technology with access to nature, enhancing productivity and morale with thoughtful detailing and effective space usage; accommodating flexibility with careful planning.

K-12 Interiors

*Design Creates Culture.
Culture shapes Value.
Values determine the Future.*

Our holistic interiors balance light, color and shape to create spaces that promote learning, collaboration and agility. Interiors have the power to convey missions and enhance community, to energize teachers and inspire learning. With multifaceted design sensibilities, V evolve orthodox design patterns to new revamped look with contemporary feel. Keeping in mind the subtle nuances, V empower YOU to evolve.

Civic + Cultural Interiors

Great Design starts with an Idea and V Sculpt...!

V create beautiful and functional interiors for people to connect with their greater community. Comprehending your needs, we create, maximizing efficiencies and enriching experiences, while always being respectful to historical context, diverse cultures and the natural environment.
